

Appointment of Standing Committees The following general rules are applicable to the qualifications of members of Standing Committees, and their appointment and removal;

1. The members of each Standing Committee are appointed by the Mayor with the approval of a majority of the City Council.

Each Committee member must:

- be a resident of the Town at the time of their appointment and for so long as they serve;
- serve at the pleasure of the Council, without compensation or payment of mileage, for a term of four (4) years.
- be eligible for reappointment upon application to the City Council, but the City Council should encourage new applicants in order to promote widespread community involvement;
- be considered to have resigned in the event of three consecutive absences from the meetings of their Committee, unless the Chairperson of the Committee has excused the member's absence and informed the other Committee members of the exception at the third consecutive meeting missed.

2. Notification of resignations or terminations must be submitted to the City Council in writing. Vacancies in the membership of any Standing Committee are filled in the following manner:

- The City Clerk posts in three (3) public places in the Town a notice of the fact that a vacancy has occurred and that the applications will be received prior to a date stated in the notice.
- All persons interested in serving must submit to the City Clerk a written request for appointment containing such information on their background and qualifications as they deem appropriate. The City Clerk then notifies all applicants of the Council meeting at which their application will be considered.
- The City Council will, during a public meeting, appoint Standing Committee members by selecting appointees from a roster of persons offered by individual Council members and applications from candidates. The City Council will endeavor to appoint the best qualified persons.

3. One member of the City Council is designated by the Mayor as a liaison for each Standing Committee. The designated Council liaison may attend meetings of the Standing Committee to which he or she is assigned, and shall try to do so at least quarterly, but does not vote. The Council liaison contacts each member of the Standing Committee to which he or she has been assigned at least once annually to determine any

problems which may exist and to receive information for use in Council evaluations of Standing Committee actions and direction.

Organization of Standing Committees. The following general rules are applicable to the organization and conduct of business by each Standing Committee:

Each Standing Committee establishes a time and place for its regular meetings. Once the Standing Committee has established a time and place for its regular meetings, the Standing Committee will request the City Council's approval of the time and place of the regular meeting. The City Clerk will notice the schedule of regular meetings to be posted on the bulletin board at Town Hall. The agenda is set by the Chairperson, but upon the request of any Standing Committee member an item can be placed on the agenda. Agendas of meetings are posted in compliance with the provisions of the Ralph M. Brown Act (commencing with Government Code Section 54950), as hereafter amended. No Standing Committee can hold a meeting unless notice of the time and date of the meeting is properly available pursuant to the Ralph M. Brown Act, as hereafter amended, and unless a quorum is present. Special meetings of a Standing Committee may only be called by the Standing Committee Chairperson, Mayor or City Manager and must be called in accordance with the Ralph M. Brown Act. If a committee has an odd number of members, a majority of those members are considered a quorum. If a committee has an even number of members, half of those members are considered a quorum.

At its first regular meeting in July of each year, each Standing Committee will elect, by a simple majority of the members present, from its membership a Chairperson, Vice Chairperson, Secretary and such other officers as the Standing Committee deems advisable, who will not serve for more than two (2) consecutive one (1) year terms. At the July meeting, any subcommittees deemed advisable by the Standing Committee for specific activities within the purview of the Standing Committee should be appointed by the members. At any other meeting an officer may be replaced. However, at any meeting other than the first regular meeting in July, a vote of the majority of the Standing Committee is necessary to replace or elect an officer.

Each Standing Committee must keep minutes of its meetings, which include its determinations, recommendations, the attendance of members and an indication of who prepared the minutes. The minutes are reviewed by the City Manager who, in consultation with the City Council liaison to the particular committee, will determine which items need to be agendized for a City Council meeting. The minutes are public records.
